What sets us apart from other web sites...

Italy's renowned Bresciani 1970, a small, artisanal studio, is the world's premier sock producer and now the finest men's underwear artisan. Villa Delmitia, a small Milanese family firm, specializes in the finest woven boxers, pajamas, and robes for men and women. For more than a century, Zimmerli of Switzerland has been creating excellent Swiss underwear. However, since the firm's recent acquisition, although Zimmerli continues to produce some of their products in Switzerland, many items are now produced elsewhere.

Natural fibres, comfortable cuts, and careful production ensure the legendary good feeling that has long been associated with our reputation for offering the world's finest clothing for ladies and gentlemen.
